Access to **MATLAB & Simulink** for **all students** anywhere

1. Create a MathWorks.com account with your university email
Go to mathworks.com/mwaccount/register

Create MathWorks Account

Email Address	user@ubu.es ✓
	You will need to verify your email address
Country/Region	▾
How will you use MathWorks software?	Teaching or research in school ▾
Are you at least 13 years or older?	⦿ Yes ○ No

Cancel **Create**

Use your university email and choose…
"Teaching or research in school".

2. Associate your account to the university's Campus-Wide License

In the upper right corner of the page, click on 'Associate License'

Contact Us   How to Buy   Name ▾

- Associate License
- My Community Profile
- Log Out

Enter the following Activation Key:

Associate My Account with a License

Already using MATLAB? Associate to the license you are using and gain access to additional benefits.
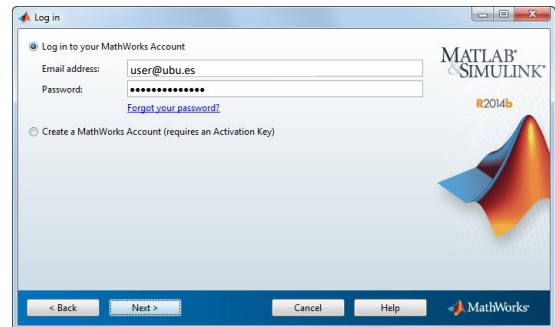

Activation Key or License Number*:
99312-10529-59606-06433-66189   Associate License

Type 'license' at the MATLAB prompt to get your license number or get an activation key from your MATLAB administrator.

*Some licenses may require an Activation Key to associate.

If you run into trouble during any part of the process, please contact MathWorks Technical Support. See the following page.

## 3. To use MATLAB in Windows / Linux / Mac…
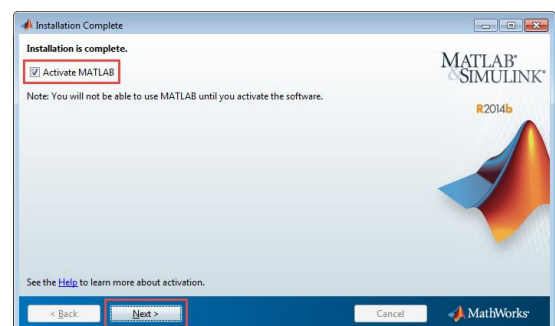

Download the installer from mathworks.com/downloads

Use your university email address and license.

Select which tools you want to download and install now.
Consider that installing everything will require several GB.

Finally, activate the software.

4. To use MATLAB Online…

Access **MATLAB Online** with your MathWorks.com account: matlab.mathworks.com

5. To use MATLAB on Mobile Devices…

Download MATLAB Mobile for Android or iOS.

Your files will be available on any platform using **MATLAB Drive:** mathworks.com/products/matlab-drive
